We offer updates about each area of the Bureau, a summary of legislative activity, and descriptions of changes in the status of the companies we regulate.

MICHIGAN INSURANCE BUREAU MISSION STATEMENT

The Michigan Insurance Bureau regulates insurers to maintain an insurance market where financially strong companies meet consumer needs and promote the Michigan economy by competing vigorously with freely available, low priced products.

In the future, we plan to publish the Annual Report on our World-Wide Web Site. You can find the Michigan Insurance Bureau Web Site at:

INSURANCE BUREAU RESPONSIBILITIES

OFFICE OF THE COMMISSIONER

The Commissioner of Insurance is responsible for regulating the insurance industry in Michigan and for administering operations of the Insurance Bureau as mandated by the Michigan Insurance Code (MCLA 500.100, et. seq.) and related laws. The Commissioner is appointed by the Governor with the advice and consent of the Senate, for a term of four years. The Commissioner provides management and policy direction to the bureau to assure statutory mandates of the Insurance Code are carried out within guidelines set by the Governor and that the goals and missions of the bureau are met. The Commissioner is assisted in administration of the bureau by the Management Support Division which consists of the Administrative Support Section and the Systems Planning and Technology Section. The Commissioner is also assisted by the Legal Resources and Receiverships Division.

LEGAL RESOURCES AND RECEIVERSHIPS DIVISION

Legal Resources Section

Enforcement activities, filing disapprovals, appeals of bureau actions and disputes between insurers and policyholders are resolved through the administrative hearing process. The Legal Resources Section works with the Commissioner to draft the final decisions which result from these proceedings. The staff researches, develops and drafts declaratory rulings and regulations and performs legal research on policy questions.

Receivership Section

Insurance companies and health maintenance organizations which become insolvent while doing business in Michigan are supervised by the Commissioner as the statutory receiver to rehabilitate or liquidate as ordered by the Circuit Court. The Commissioner is empowered to appoint a deputy receiver to act as the Commissioner's agent and to employ counsel as may be necessary to administer the estate. The section performs the following functions in accordance with statutory authority: marshaling of assets of insolvent insurers, evaluation of claims filed by all interested parties, and investment and conservation of all assets to ensure maximum dividend distribution to all policyholders, claimants and creditors of the insolvent insurer.

are conducted to determine whether companies operating in Michigan are financially safe, reliable and entitled to public confidence and are conducting operations in the best interest of policyholders and the public. Action is taken against financially troubled companies to protect Michigan policyholders. These actions can result in premium restrictions, liquidations, rehabilitations, special deposits, compliance plans, surrenders or revocations of certificates of authority, as well as voluntary restraints and corrective actions negotiated and agreed to by the division and the companies. Health Benefit Plans Division staff examine and investigate the rates, benefit contracts, and provider contracts used by prepaid health plans. These include Blue Cross and Blue Shield of Michigan (BCBSM), health maintenance organizations (HMOs), and alternative health care financing and delivery systems (AFDS). Division staff make sure that rates are fair, reasonable in relation to benefits, and that they comply with statutory standards. They examine benefit certificates to assure that the coverage meets the criteria established in the statute and to determine if the certificates clearly set forth the coverage being provided. BCBSM's provider contracts and reimbursement arrangements are evaluated against the statutory goals of access, quality, and cost of health care services. Provider contracts of HMOs are evaluated to be sure that they meet statutory standards and allow an HMO to remain financially strong and to guarantee good quality health services to its enrollees. The division also oversees the licensure of Multiple Employer Welfare Arrangements (MEWA) under Chapter 70 of the Insurance Code. The MEWA is a means by which an established association or group of employers in the same or similar industries can form a self-insurance pool to provide health benefits to their employees.

1 American Way Casualty, American Way Life and Confederation Life are in rehabilitation. The guaranty funds do not pay claims while companies are in rehabilitation, therefore, the claims data is not applicable.

2 The claims data includes revised guaranty fund data which reflects an increase in claims open due to deductibles of guaranty funds established as general creditor claims.

3 The Life & Health Association Act, Chapter 77 of The Michigan Insurance Code, excludes the payment of HMO claims. The claim payments to subscribers approved by the court came from a trust account established in accordance with Michigan statute as a condition of licensure for health maintenance organizations.

4 Amounts paid by guaranty funds.

5 Outstanding Reserve.

6 In November 1993, the Michigan Life and Health Insurance Guaranty Association (MLHIGA) executed an assumption reinsurance agreement with the Franklin Life Insurance Company which transferred the U.S. life insurance block of business of Sovereign Life to Franklin Life. The agreement transferred all of the liquidator's and MLHIGA's liabilities of Sovereign Life's policies to Franklin Life. Accordingly, there should be no policyholder claims against the liquidator or MLHIGA.
